HIGH SCHOOL AP/UNIVERSITY CREDIT COURSES (1:1, 3:1)

Solomon International School is a 7th through 12th-grade day school located in Bellevue, Washington, and Irvine, California, U.S.A. At SIS, students are provided a customized academic plan and guidance starting from enrollment to applying to universities. **Students can enroll full-time or part-time.** If a student is enrolled as a part-time student (attending his/her own high school full time, then comes SIS to take additional AP courses), SIS will issue SIS official transcript upon completion so all part-time students can submit two high school transcripts when applying to American universities in the United States. SIS is proud that 100% of our graduates have gained university admissions since 1994.
